MESSAGE FROM THE MANSE

Dear Friends,

We have a New Year every twelve months, but we only enter a new decade every ten years. Those are obvious facts, but facts speak. We all can remember the last ten years - what a difference to the fifties. Life has accelerated at breakneck speed. Science and technology have shattered our imaginations. We've all had the privilege of seeing the first man on the moon, and, let's face it, we will be proud to tell our children and grand-children about it. But they'll be able to tell us a few things also. The seventies are not going to get any slower. If we've seen advances in the last ten years, we've greater strides to see yet.

Somewhere in all this, I thank God that I am a Christian. I can suddenly switch off the race against time and concentrate on that which time cannot effect or challenge: the eternal fact of God. That may seem contradictory... how can God be a fact! Facts must have some basis of proof in order to be established. I believe the fact has been proved time and time again through the experience of people like you and me. God is not a formula or logarithm or chemical compound, that can come under the scrutiny of the mathematician or scientist. He remains the God who revealed Himself in Christ. He must be the basis of our life in the seventies.

Where do we go as churches? Forward in Faith. We must get on with the task of communicating the Gospel alongside ordinary people. We need keenness, deep thought and action. The deacons at Milnrow and Littleborough are determined that we lose no time over this. At St.Stephen's a definate timetable of priorities will be laid out. this will involve our moving out into the community with more effectiveness. It will also mean placing before our people the financial needs of the church in an effort to cut down on valuable time spent 'raising money' to keep the church going.

Of course the church of the seventies is going to be different! But the gospel we preach will be the same yesterday, today and for ever.

Above all, we wish God's richest blessing to be on you all for 1970. We trust the New Year will be happy in the deepest sense of the word.

Yours sincerely,

Glyn Jenkins

ANGELS IN DISGUISE

Overheard in Church recently:

1st little boy: Is he the Church Secretary?
2nd little boy: No, he is one of the Demons.

MICHAELMAS MARKET MAKES £278. 19. 8d.

This figure is inescapably a bitter disappointment, particularly to those who worked hardest of all for this effort.

It is not hard to accept failure when one can pin point a reason (or find a scapegoat), but the Michaelmas Market was a beautifully managed venture. Every stage was planned in advance; every yard of selling space accounted for; every coupon seller knocking on doors, even during last winter; clever ideas and gimmicks abounded. On the day everything seemed to go right: no shortage of helpers or of goods, hundreds of customers, plenty of sales. It was an exhilerating experience because over 100 people made up a big and successful team.

And yet....in the end.... £278. 19. 8d.

Is this a moment of truth?
Or are there two truths in this.

1. As a commercial venture, the Church only ranks as a struggler.

2. A Community effort brings satisfaction which cannot be measured in hard cash.

THE NEW EDITOR SAYS:

Like any other magazine "The Messenger"must try to inform and entertain its readers. When Allan Roberts was editor he tried to do this in his style, and now that I am editor I will try to do so in mine. Some features will be changed, others will continue as before, but please remember that it is your magazine. If you do not like my changes say so. If you have any suggestions to make let me hear them, either privately or better still in the form of a letter to the editor. It is your magazine, don't let the editor take it from you.

LIGHTEN OUR DARKNESS

This Christmas they burnt the candle at both ends - out of sheer necessity.

If ever you go to Littleborough Christmas morning candlelight service don't be mislead into thinking that the candles are part of some kind of tradition. On the contrary, they are used for the very practical reason that Littleborough congregation use "off peak" electricity and Christmas morning is emphatically a peak period. While we may gather to sing "Oh come all ye faithful" the less faithful who don't come are draining off the current to cook ye turkey for ye faithful to come home to.

This year, St. Stephen's too had a day of spontaneous candlelight on the Sunday before Christmas. A mysterious and unexplained electricity failure left the church not only without light but also, by the same token, no organ, no morning coffee, no heat for either services. No body knows the cause of the failure but the finger of suspicion points to Jim Emmott, who for the first time in years should have played the organ that morning, but instead escaped with playing the piano. Jim denies this and says he was "framed" by a party of sabateurs from Littleborou

LITTLEBOROUGH NEWS

A TEMPORARY 15 YEARS

Our thanks for many years of active and faithful service go to Mrs. Hancock (Church Secretary) and Mr. F. Beattie (Church Treasurer) who are retiring from these two important offices. Notices of retirement have already been given to the Deaconate, who are seeking people to fill the positions. Mr. Beattie took on the post of Treasurer as a temporary position over 15 years ago. He has served the church admirably and conscientiously over those years. Mrs. Hancock stepped into the breach left by Mr. Pryor's removal to Preston last year with the understanding that she would see the Secretary's job through Centenary Year.

The Deacons have decided to divide the work of the Secretary so that more than one person can take on responsibility:

Pulpit Supply Secretary (for booking visiting preachers and corresponding with them).

Welfare Secretary(ies)- possibly two people. To act as Official Church visitors, also responsible for keeping the Minister informed of cases of illness, need, etc.

Autumn Fair Secretary: To take responsibility for the Fair, coupons etc.

Church Secretary: To deal with minutes and Correspondence; the smooth ordering of Sunday worship, receiving Ministers and preachers at the church; to deal generally with the handling of church affairs.

The deacons will be approaching people to think about these jobs. Please give them your thoughtful and prayerful consideration. If you would like to volunteer to help in any way, then please see the Minister or Secretary. Both Mr. Beattie and Mrs. Hancock are willing to help anyone who wishes to take over these jobs.

FJORD FELLOWSHIP

Mr. Jay was the speaker at the November meeting of the Men's Fellowship. This was the fulfilment of a promise made at the beginning of 1969 that he would come and tell us about his trip along the Scandinavian coast on a coastal steamer. ("Like a bus service on water," said Mr. Jay.) The talk was illustrated with coloured slides and proved most interesting.

MYSTERIOUS OBJECT AT LADIES GUILD

At the Christmas party of the Ladies Guild on December 9th, the speaker was Mrs. Sanders. Her interesting talk was followed by a business meeting during which an unusual parcel was passed round. A very pleasant evening was concluded with carol singing and supper.

BUSY BEES RELAX

It was strictly "ladies only" (or "no drones") when 17 Busy Bees held their Christmas Party at Mrs. Hill's humble hive.

This was the Bees first party and time flitted by until 11 p.m. when everyone buzzed off home.

NEW JOYS FROM OLD TOYS

Littleborough's Annual Toy Service was held on the 14th December when Mr. & Mr. J. Holt received gifts of toys and books from the children of the church.

We hope that those boys and girls who received these gifts from us found some joy and excitement on Christmas morning, and that for once in a while their lives were made a little less bleak.

****

LIGHT HEARTED LITTLEBOROUGH

The Annual Party was held on Saturday, 6th December when the primary nearly blew the roof off with their noisy games, but they all went very quiet when Father Christmas himself turned up.

At 6.0'clock, the "big 'uns" and the "oldies" arrived, and the MC got everyone swinging non-stop, except for pauses for refueling on potato pie.

Did you miss out on this? Well, we may let you in next year.

CHOIR AND BAND LEAD CAROL SERVICE

"He smiles within his cradle," "Shepherd in the fields abiding" and "Silent night" were the three main contributions by the choir to the annual Carol Service on 22nd December, when the soloist was Mr. J. Law and Mr. L.W. Greaves played the organ.

The Rev. G. Jenkins led the service, which included music rendered by the Littleborough Prize Band. The collection was in aid of World Hunger (1% appeal.)

BUILD YOUR OWN LIGHTHOUSE

Find an empty washing-up liquid bottle and then ask Mrs. M. Howarth (Milnrow Missionary Secretary) for a special 'lighthouse label' on which you will find further instructions.

This new type of Missionary Box is intended partly for children who have not had a blue missionary box before. So please, build a lighthouse in your own home to help children across the seas.

LAST YEARS BOXES - MILNROW

We are pleased to announce that around £40 has been raised for C.C.W.M. through the proceeds of the Missionary Boxes.

The Missionary Committee would like to thank all people who collected during 1969.
